FOREWARD

The 1838 Tax Digest of Macon County, Georgia was so much fun to look at in the Courthouse. I visited there many times. Each time, I would find that I needed to see just one more thing. This prompted me to type the entire thing simply to save trips.

Since Macon County was formed in 1837, this is the first Tax Digest on Record and tells us who was where, in the first year of history for this county.

The very first name, on page 1 is Robert F. Baldwin who lived in the 543rd G,M,D, District. One hundred years later, there was "a" Robert F. Baldwin who lived in Marshallville and his wife, "Miss Mary" was my music teacher throughout grade school.

My next project is to type the Deed Books of Houston County from which part of Macon was formed, to see when and from whom this property was purchased and who the fortunate person was that drew this land in the 1821 Land Lottery.

The Courthouse in Macon County burned in 1857 and there are only two (2) Tax Digest that were saved from that time period. They have both been printed by Central Georgia Genealogy Society.

Included is a Land Lot Map for your convenience. If the tax digest gave a lot No. and District, you will be able to pinpoint the section in which your ancestors lived.

INTRODUCTION

On behalf of the Central Georgia Genealogical Society and its Publications Committee, I wish to express our gratitude and appreciation to Mrs. Davine V. Campbell of Marshallville, Georgia for her contribution of the 1838 Tax Digest of Macon County, Georgia. Her work has been donated for publication by our Society.

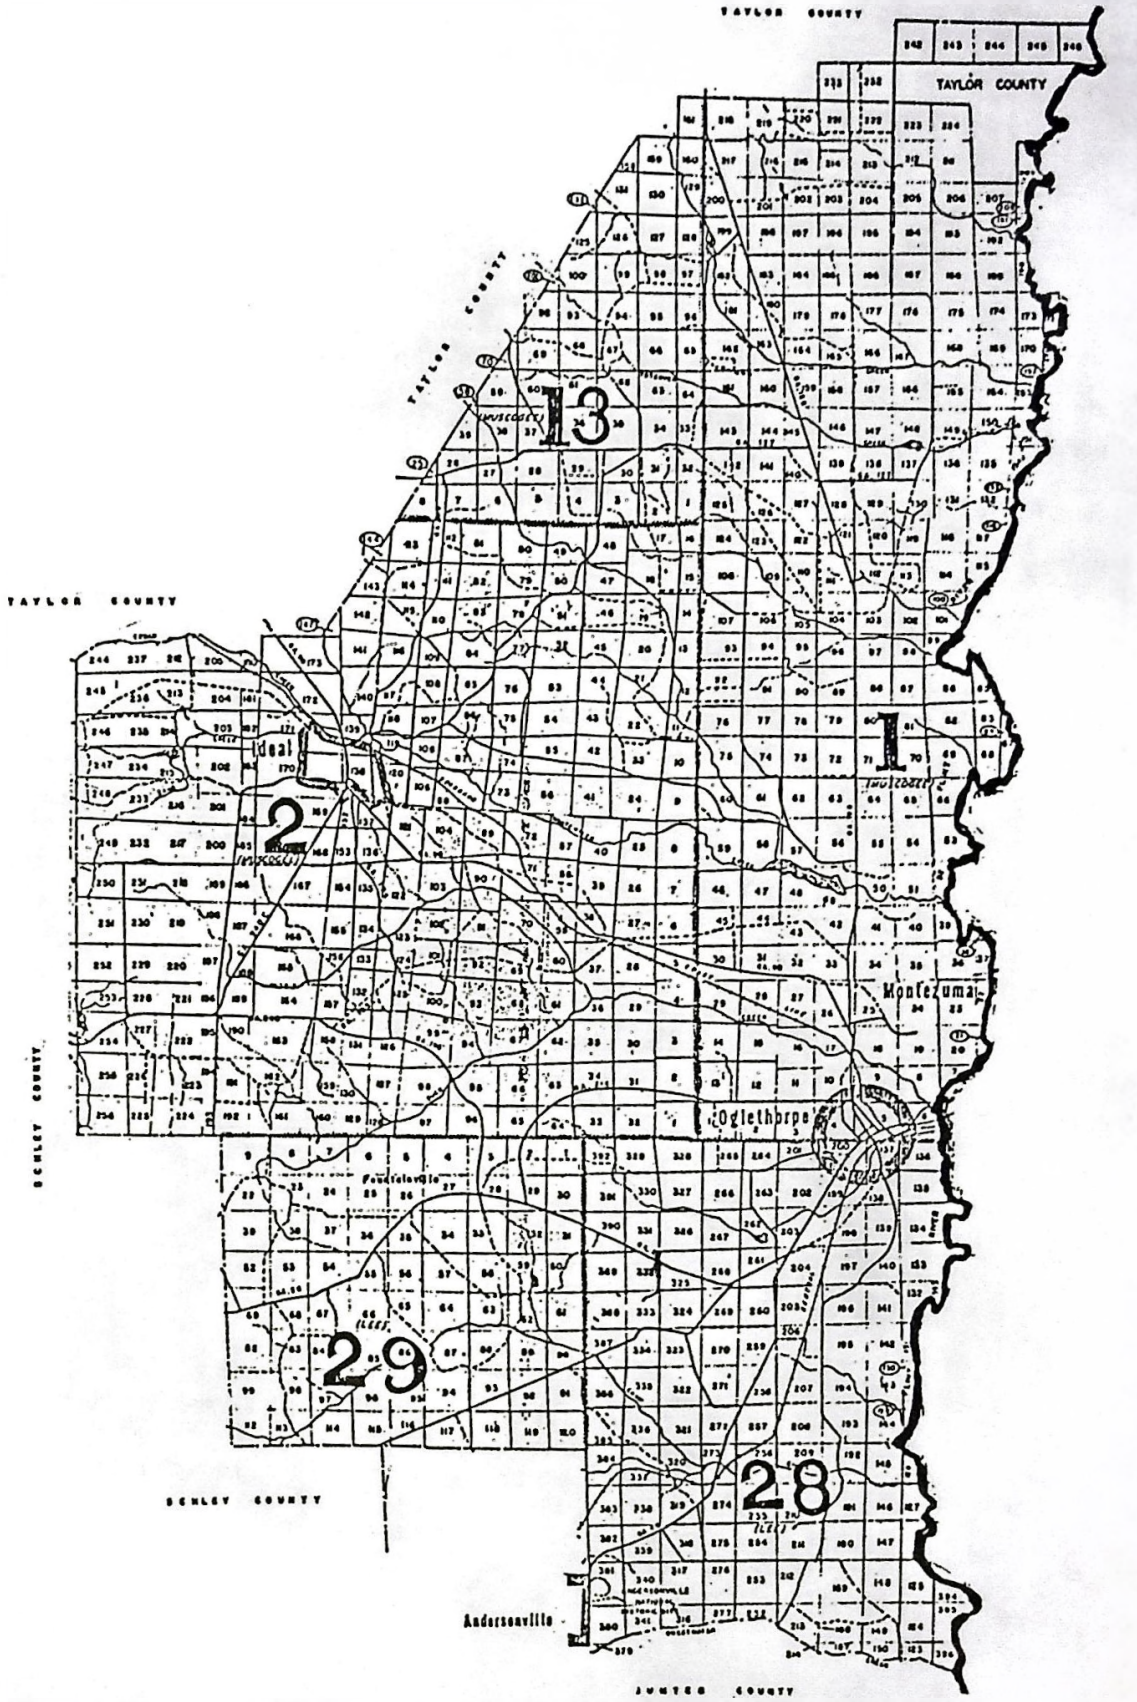
The 1838 Tax Digest of Macon County is not difficult to read. Mrs. Campbell has made every effort to identify hard to read names and to cross check questionable spelling with other available records. Since she prepared her work initially for her own use, it was necessary for us to reduce the print size to provide the necessary margins for binding.

Mrs. Campbell has also contributed her abstraction of the 1840 Census of Macon County; 1850 Federal Census of Macon County; 1852 Tax Digest of Macon County; 1870 Census of Macon County; Marriage Records of Macon County 1858-1880; 1822-1829 Land Records of Houston County, Vol I; Land Records of Houston County 1829-1831, Vol II and Land Records of Houston County 1831-1834, Vol. III for publication by our Society. Most of these have been published or are currently being edited for publication. She is also working to abstract other Land Record of Houston, Crawford and Macon Counties plus the 1880 Census of Macon County for future contribution to our Society from microfilms which we have funded.

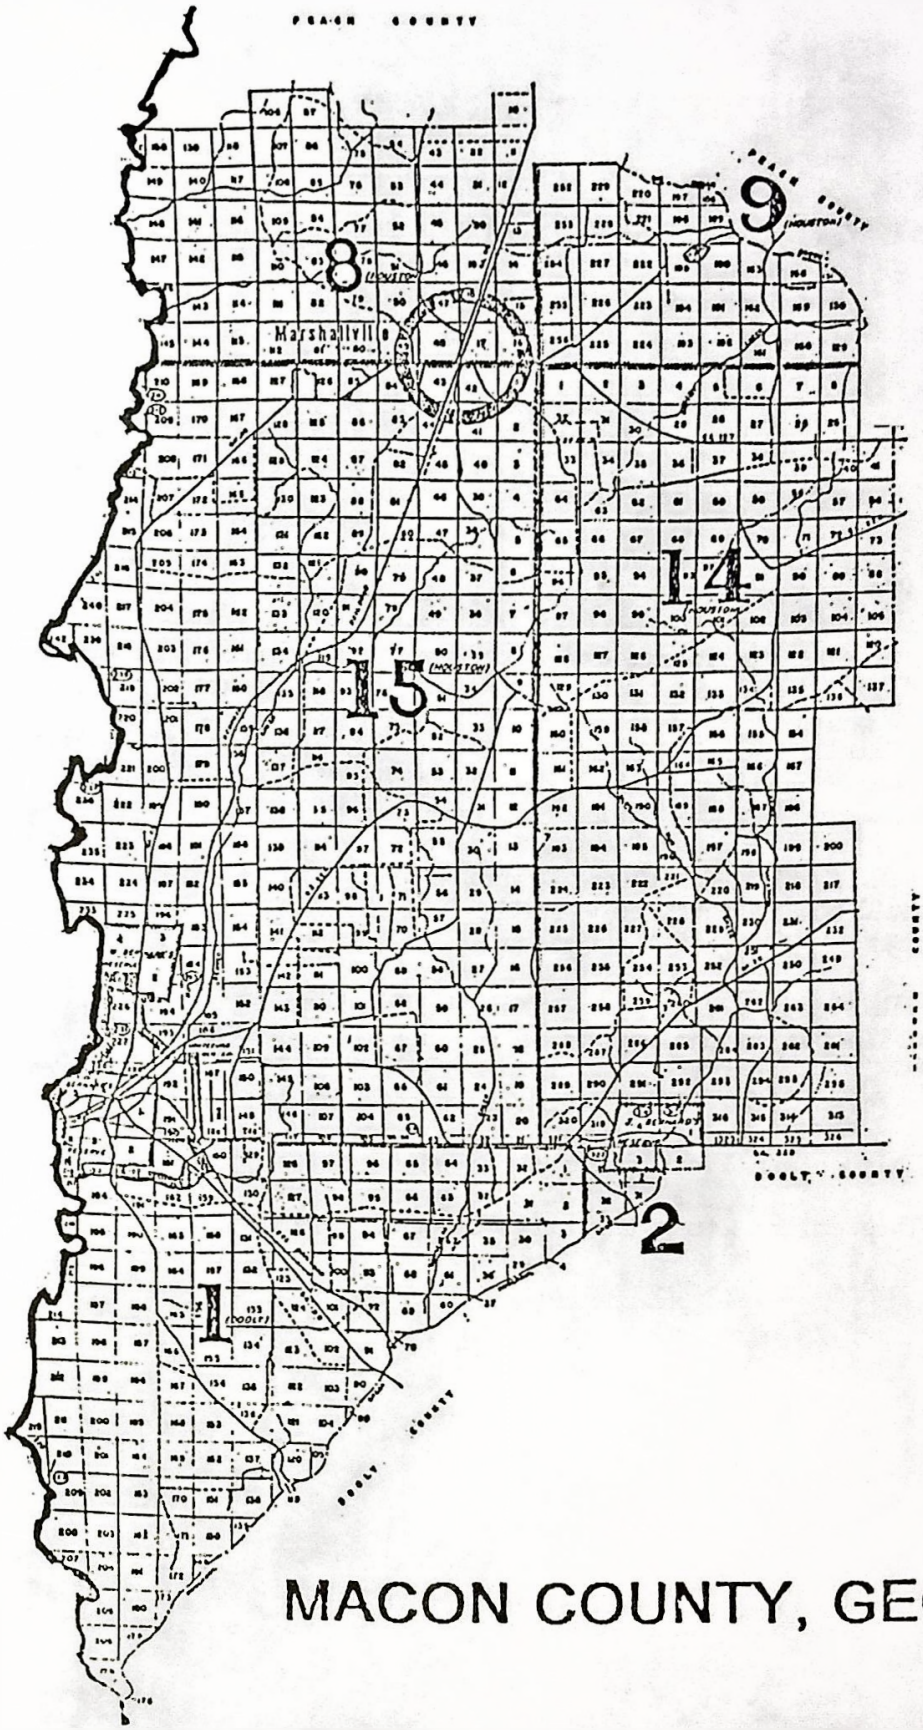
Again our thanks to Mrs. Campbell for volunteering her service to accomplish these most needed genealogical projects. Our hat is off to her and we hope she is an inspiration for other society members to make similar contributions.

It should be noted that Macon County was named for Nathaniel Macon, a North Carolina statesman. It was the ninetieth county created in Georgia and was taken from Houston and Marion counties in 1837 and county boundaries have changed and overlapped many times in this region. The land now Macon County began as part of four original land lot counties: Houston, Muscogee, Lee, and Dooly. Oglethorpe is the county seat.

William R. Henry, Chairman & Editor
Publication Committee
Central Georgia Genealogical Society



Lands west of the Flint River in Districts 28 & 29, originally Lee, and in Districts 1, 2 & 13, originally Muscogee, were taken from Marion in 1837.



Lands east of the Flint River in Districts 1 & 2, originally Dooly, and in Districts 8 & 15, originally Houston, were taken from Dooly & Houston in 1837 to form Macon County. In 1870 the west part of District 14, originally Houston, and southwest part of District 9, originally Houston, were taken from Houston.

BRIEF EXPLINATION OF COLUMNAR HEADINGS IN 1837 TAX DIGEST

(See page 37 for Tax Summary)

1. NAME OF TAXPAYER: This column contains a list of the "taxables".

2. POLL TAX: This column containing the number "1" shows the taxpayer paid a poll tax in the Georgia Military District (GMD) of Macon County as the place of taxpayers residence and county where entitled to vote. Payment of a poll tax indicates the taxpayer was 21 years of age or older and probably under 65 years of age. A poll tax was not required for voting after age 65.

3. SLAVES: This column lists the number of slaves owned within the county.

4. PROPERTY: This column lists the acres in swamp, pine, and/or number of quarters in oak & hickory (OH). Also included are 2 & 4 wheel carriages, stock in trade, physicians, practitioners at law, town house & lot, and stallions with stud fee. Acres were considered and taxed as first, second and third qualities with swamp and pine being less valuable than oak and hickory.

5. NUMBER: This column lists the Land Lot (LL) number of the district and county of the land owned and taxed. For "headright" counties east of the Oconee River without LL numbers the column is blank.

6. DISTRICT: This column lists the District of the county of the land owned and taxed. It should not be confused with the Georgia Military District (GMD). For "headright" counties east of the Oconee River the column is blank.

7. COUNTY: This column lists the counties in which the taxpayer owned land. All tax was collected in the county of residence.

8. DOLLARS: This column lists the dollars owed on taxes.

9. CENTS: This column lists the cents owed on taxes.

10. MILLS: This column lists the mills owed on taxes.

CENTRAL GEORGIA GENEALOGICAL SOCIETY, INC.
POST OFFICE BOX 2024
WARNER ROBINS, GEORGIA 31099-2024

Non-Profit
Tax Exempt
Org. GA

ORGANIZATION: The CENTRAL GEORGIA GENEALOGICAL SOCIETY, Inc. was organized in October 1978 by James T. Martin of Warner Robins, Georgia. In February 1981 the Society was incorporated as a non-profit organization under the law of the State of Georgia. The U.S. Internal Revenue Service has determined that the society is a tax-exemption organization under Section 501(c), U.S. Internal Revenue Code of 1954. The Society is governed by a Board of Directors consisting of the elected and appointed officers and six elected Directors.

AREA: The Society's geographical area of primary interest consists of twenty-seven contiguous counties located in central Georgia. They are: BALDWIN, BIBB, BLECKLEY, CRAWFORD, CRISP, DODGE, DOOLY, HOUSTON, JOHNSON, JONES, LAMAR, LAURENS, MACON, MONROE, MONTGOMERY, PEACH, PIKE, PULASKI, TAYLOR, TELFAIR, TREUTLEN, TWIGGS, UPSON, WASHINGTON, WHEELER, WILCOX and WILKINSON.

PURPOSE: The purposes for which the corporation is organized are:

To collect, preserve and disseminate knowledge and information with reference to genealogical and related historical, biographical and heraldic data;

To inculate and promote interest in research in these fields;

To stimulate and provide instruction in the use of efficient methods and the adherence to principles of accuracy and thoroughness in research;

To champion ethical standards and to discourage and oppose incompetent and disreputable practices or researchers;

To foster careful documentation and otherwise promote scholarly writing;

To issue publications, and

To promote the collection and the preservation of local records which are of genealogical or historical value.

MEMBERSHIP: Membership in the Society is open to any person interested in promoting the objectives stated above. Annual dues for 1992 are: $20.00 for individual membership; $25.00 for family membership (husband and wife, or two related persons in same household).

TRAINING: At least twice each year the Society conducts classes for beginner genealogists. These classes are free for members in good standing.

WORKSHOP: The Society plans to hold an all day workshop once each year, complete with exhibits, for members and the public. The registration fee will be set to cover the Society's cost and may vary from year to year, depending upon prices charged for food, meeting facilities, speaker fees, etc.

PROJECTS: The Society undertakes special projects for preservation of genealogical and historical information, such as: microfilming old newspapers, abstracting and publishing county court records, federal census records, cemetery records, etc.

(continued)

PUBLICATIONS: The Society publishes a monthly NEWSLETTER and a QUARTERLY. The QUARTERLY is published four times per year as number 1 thru 4 and is mailed to all members in good standing. The annual volume number represents the years in existence. Many other societies, who are members, receive our QUARTERLY. QUERIES, from members only, are published in the QUARTERLY free of charge. There is no limit as to the number of queries which a member may submit. BOOK REVIEWS are published when a copy of the book has been received by the Society. After review these books are donated to the Genealogical and Historical Room, Washington Memorial Library, Macon, GA., whose holdings are one of the largest in the southeast. Members are encourage to submit ARTICLES FOR PUBLICATION in the QUARTERLY, and extra long articles may be serialized. The QUARTERLY is not copyrighted and anyone is welcome to make proper use of the contents; however, the use of articles quoted from other published sources is prohibited without permission from the copyright holder. Appropriate credit will be appreciated. The QUARTERLY is not sold by subscription. Current and back issues may be purchased from the Society when available. The Society welcomes the opportunity to publish FAMILY PEDIGREE CHARTS for members. Minimum coverage of four generations is required. Our computer designed charts provided for as much information on the fifth generation as the second, third and fourth - most charts provide much less. Give us as much complete information as possible on available forms and separate paper.

MEETINGS: The Society holds regular monthly meetings with planned programs. These meetings are currently held at the Flint Electric Building, 1600 Elberta Road, Warner Robins, Georgia at 7pm on the third Thursday of each month. In addition to the program, time permitting, a question and answer session is usually conducted for the benefit of members who have a problem with their research, or who has found a better way for accomplishing their work. Visitors and guest are always welcome to attend regular meetings of the Society. Our current membership covers many states and we invite you to join our Society. For a membership application write to the Corresponding Secretary at address shown in the heading above or call (912) 953-3114.
